NEWS RELEASE

Columbus Announces \$1 Million Private Placement

Vancouver, BC, Canada, August 8, 2019. Columbus Gold Corp. (CGT: TSX, CGTFF: OTCQX) (“Columbus”) is pleased to announce a non-brokered private placement for gross proceeds of up to CDN\$1 million.

The private placement* will be for up to 6,250,000 units at a price of \$0.16 per unit. Each unit will be comprised of one common share of Columbus, and a half warrant. Each full warrant will entitle the holder, on exercise, to purchase one common share of Columbus at a price of \$0.32, for a period of 18 months from the closing date of the private placement. Finders fees will be paid in connection with a portion of the private placement in accordance with the policies of the Toronto Stock Exchange (the "TSX"). Columbus intends to use the proceeds of the private placement for exploration and general working capital purposes. The private placement is subject to approval by the TSX.

*The private placement securities referred to in this news release have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from the U.S. registration requirements. This news release does not constitute an offer of securities for sale, nor a solicitation for offers to buy any securities. Any public offering of securities in the United States must be made by means of a prospectus containing detailed information about the company and management, as well as financial statements.

About Columbus

Columbus is French Guiana’s leading gold exploration and development company. Columbus holds a major interest in the world-class Montagne d’Or gold deposit. A feasibility study for Montagne d’Or was filed in May 2017, and the mine permitting process is currently underway. Columbus is also earning into the Maripa gold exploration project where past drilling has returned excellent near surface results, including 36 meters of 4.3 g/t gold. Columbus’ objective is to assemble a portfolio of high-quality gold exploration projects in the highly prospective and underexplored Guiana Shield.

ON BEHALF OF THE BOARD,

Rock Lefrançois
President & CEO

Certain statements and information contained in this press release constitute "forward-looking statements" within the meaning of applicable U.S. securities laws and "forward-looking information" within the meaning of applicable Canadian securities laws, which are referred to collectively as "forward-looking statements". The United States Private Securities Litigation Reform Act of 1995 provides a "safe harbor" for certain forward-looking statements. Forward-looking statements are statements and information regarding possible events, conditions or results of operations that are based upon assumptions about future economic conditions and courses of action. All statements and information other than statements of historical fact may be forward-looking statements. In some cases, forward-looking statements can be identified by the use of words such as "seek", "expect", "anticipate", "budget", "plan", "estimate", "continue", "forecast", "intend", "believe", "predict", "potential", "target", "may", "could", "would", "might", "will" and similar words or phrases (including negative variations) suggesting future outcomes or statements regarding an outlook. Forward-looking statements in this and other press releases include but are not limited to statements and information regarding: Columbus' plans, or modifications thereunder, to develop Montagne d'Or ; the construction and development plans for the Montagne d'Or gold mine, including anticipated timing thereof; the satisfaction of additional requirements to the construction of the Montagne d'Or gold mine, including but not limited to, the submission and processing of mine permit applications; the timing and rendering of a decision regarding the development of the gold mining industry in French Guiana; the acquisition of additional exploration permits, and the earning into of the Maripa gold exploration project. Such forward-looking statements are based on a number of material factors and assumptions and involve known and unknown risks, uncertainties and other factors which may cause actual results, performance or achievements, or industry results, to differ materially from those anticipated in such forward-looking information. You are cautioned not to place undue reliance on forward-looking statements contained in this press release. Some of the known risks and other factors which could cause actual results to differ materially from those expressed in the forward-looking statements are described in the sections entitled "Risk Factors" in the Annual Information Form of Columbus Gold Corp., available on SEDAR under Columbus' profile at www.sedar.com. Actual results and future events could differ materially from those anticipated in such statements. Columbus undertakes no obligation to update or revise any forward-looking statements included in this press release if these beliefs, estimates and opinions or other circumstances should change, except as otherwise required by applicable law.
